

CareCredit Disclosure

CareCredit Promotional Financing

Deferred Interest/No Interest if Paid in Full Promotional Financing Options

How They Work

- Minimum monthly payments required on 6 and 12 months promotional financing options.
- Interest accrues on the daily balance of the promotional purchase from date of original purchase at account level APR (for new accounts, this APR is 26.99%).
- If the balance is not paid in full within the promotional period, the accrued interest is added to the existing current promotional balance. The new balance will accrue interest at the account level APR until the balance is paid in full.
